Hi. [REDACTED] was convicted and sentenced to I believe, 7 to 8 years State Prison.
I speculate (and will follow up for you) that the codefendant, [REDACTED] case is coming up at some point and a District Court ADA is seeking to retest the drugs presumably because they see that Annie was involved.

I'll send an email to determine if this is correct and then let them know that they most likely do not need to have them retested.
If you would like to follow up on your own accord, I recommend that you call or email the Brockton DC supervisor Dave Belger at 508-894-6357.

I've also called and left a message for Detective Pat Donahue at the BPD to determine who requested that he bring the drugs back out there.
That number is 508-941-0200

Thanks, Russ

Subject: Com v [REDACTED]

Hi Russ,

I just received lab #'s [REDACTED] that had been submitted to the lab for re-testing. Lisa Glazer and I testified for this case on April 5, 2012. Could you just give me some info on what the outcome of that trial was and why these items need to be re-tested?

Thanks so much,

Kate Corbett
